Welcome session

Rome

WHAT IS IT ?

This major annual event of the CIVIS alliance will bring together students, teachers, researchers and university leaders from all over Europe and Africa. The aim is to strengthen inter-university cooperation, share pedagogical innovations and develop solutions to contemporary societal challenges.

Whether you're a student, researcher, or professor — your future is yours to write.

CIVIS doesn't just open doors; it walks the journey with you — through your choices, your encounters, and your discoveries.

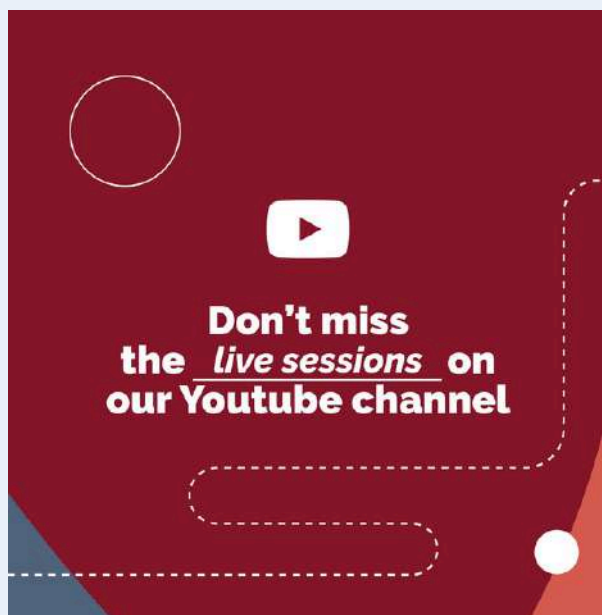

Wherever you are, **CIVIS inspires the academic world** through its live sessions and CIVIS Days, connecting people and ideas across borders.
